CLARE VALLEY		
Price	\$20.00	An honest expression of straight-shooting Clare Valley riesling that serves up a very direct lime juice experience on both the nose and the palate. Good balance and linear appeal. I like the style – approachable and authentic.

CLARE VALLEY		
Price	\$22.00 ✓	Really bright and lifted, this has impressive fragrance and a heady mix of blue and purple fruits on show, a little licorice and purple florals too. Neat, fine tannins and creamy spiced dark berry flavour; freshens through the finish.

Sensational bargain cabernet from the Clare Valley that's delivered in an approachable, regional style. Black olives and dark berry fruits, gentle regional gum leaf and a layer of toasty oak across the top. Tannins stay soft right throughout and strike the right balance through the finish.
